

## Housing

- Dormitory rooms in James Hall (air-conditioned) are available to all participants on a weekly basis. As dorm space may be limited, early reservations are highly recommended.
- If you choose a linen package it includes: one pillow, pillowcase, two sheets, one washcloth, one bath towel, and a blanket upon request. If you do not choose a linen package you must bring your own.
- Arrival time is Sunday between 4 and 8 p.m. **except** week of July 6 to 10. Check-in times for this week will be posted on the website later in the spring.
- SMI participants must register for housing separately from course registration through Residence Life. [Click here to open the housing form](#) in a new window. Then print it.
